

Young Members' Section

The goal of the Young Members' Section (YMS) is to acquaint newer members of the Commercial Law League of America with the objectives of the association. In addition to contributing to educational programs, YMS provides leadership opportunities for its members and also sponsors social events that help build a spirit of fellowship. The section produces a seasonal newsletters as well as sponsors a number of events at CLLA meetings/conferences designed to bring all members of the League together to network and enjoy the camaraderie of their fellow members.

Events Include: VIP Cocktail Party (to honor new League members); CLLA orientation session; YMS events (Friday night of the national meetings in Chicago and New York)

YMS initiates new members to become acclimated with the League. Through its Mentor Program, new members of the League are paired with mentors at CLLA meetings in order to introduce them to other members and to establish a relationship with someone whom they can discuss questions about their practices or issues of law.

Although there are age restrictions for YMS membership, the focus of the section is not based upon age. Annual dues are \$35.00 for eligible League members.*

*Eligibility for YMS Membership requires members to be in good standing with the League as well as 40 years of age or younger. If you wish to join, please fill out the form below.
